

WEDDERBURN BARNs

WEDDING & PARTY VENUE

The Barn is a tranquil 18th Century venue providing the perfect location to have your wedding, reception or private function.

The Barns have two linked rooms, the Provinder Barn (25m by 5.6m) and the Cart Shed (18m by 5.6m), that provide a magical location for weddings, birthdays and corporate parties. The barns are a wonderful place for an event, and provide a variety of spaces for ceremonies, receptions, photography and dinners. However if you would like to combine rustic flair with classical style, we welcome the use of the Barns in conjunction with Wedderburn Castle to give your party the best of both worlds.

We suggest the Provinder Barn is used for banqueting, and the Cart Shed provides an indoor reception and dance area, with doors that open fully into the courtyard garden. The use of the spaces available is flexible according to your requirements and guest numbers. All catering must be provided by one of our recommended caterers.

The courtyard can be used for outdoor ceremonies, with a canopy if required. It is possible to hold civil, humanist and religious ceremonies at Wedderburn Barns and we offer four service packages to suit all kinds of party:
